- Low Technology

## Strengths

- Many People Live in Cities
- Produce a lot of Plastic
- The money is Dollar

## Recommendations

- Get Better Government
- Decrease Violence
- Develop More Jobs
- More Schools

# *Executive Summary*

In this projects I learned many facts about El Salvador. I learned that many people live in the cities. Many children under 5 years old died because they don't offer good services in hospitals. I learned about the import partners and export partner. Also, about the export goods and import goods. El Salvador has economic weaknesses and it has economics strengths. El Salvador is a developing country. The income level is lower middle class income.
